We are very fortunate in this region to have so many good racers and as such it would be impossible for everyone to be given the chance to compete in this series, apologies to anyone that may feel that they have been “left out”.

We have however been informed that there is the possibility of additional entries for this race, details will be posted if this does turn out to be the case.

The third race in the series scheduled for October is intended for those who have little or no race experience on snow, selections for this race will be made nearer the time.
